I understand volunteers with youth in the Archdiocese of Seattle are required to undergo a background check and attend a Safe Environment training. Tony will assist you in the process.

I accept as an adult volunteer I serve as an example to youth and have a responsibility to conduct myself in a manner befitting a Catholic living in full accordance with the Church's teachings. I understand if I am accepted as a volunteer, any false statements, omissions, or other misrepresentations made by me on this application, or behavior on my part contradicting the teachings of the Catholic Church, may result in my dismissal.
