OLPH MAINTENANCE CAMPAIGN PLEDGE

2018, 2019 & 2020

For future generation's use during the next 100 years the Maintenance Committee, in conjunction with the Parish Finance Council, believes that our church community must maintain our parish campus. We have worked diligently to create a comprehensive maintenance project list and a plan to complete the tasks on the list. This list is available on the parish web site at: <http://parish.ic-olph.org/perpetuate>.

While we need significant financial resources - the current estimate is approximately \$475,000 - we also need parishioners to volunteer their talent and time for projects we can accomplish ourselves and/or a project led by a qualified contractor. The maintenance committee is looking for 100% participation. We believe every parishioner can contribute time, talent and/or treasure to this critical work. For instance, a painting contractor who can help paint, a carpet layer who can re-stretch carpeting and lay new carpet, folks who can help with many small miscellaneous repairs! These are just a few examples of the assistance that can be provided.

We ask that you prayerfully consider your individual or family pledge to this critical campaign. This includes a financial pledge commitment and/or a willingness to make time and talent contributions to projects as appropriate.

**Under the patronage of Our Lady of Perpetual Help
And nourished by your Son, Jesus
Through his Word in the Eucharist
May we continue to grow in your love as faithful disciples and stewards**

**May the enduring presence of the Holy Spirit
Give us generosity of time, talents, and financial resources
As well as commitment of mind and heart
As we take another step forward
With our faith community's maintenance matters campaign**
